From September the aim is to develop innovations within the Benefice.

Rector's Report and Church Activities of 2023

Below were some of the features, changes and highlights from throughout the year.

- The year began with a joyous New Year's day wedding in the church.
- In sermons at the start of the year we considered how Jesus regarded scripture, based on various passages in Matthews Gospel. This was then followed by a sermon series on: How Scripture Regards Sex, which sought to outline a Biblical understanding of sex and sexuality. This was designed to help the congregation think through matters relating to the CofE's plans to effectively bless and celebrate same sex sexual activity.
- On 10th February the local group Sweet F.A. held a concert in church performing a selection of their comic songs.
- A Benefice Lent Course was held on Sunday evenings in St James Thrapston, at which a series of Church of England Evangelical Council videos were watched and discussed in the light of scripture. They included topics like: What are God's values when it comes to sex and marriage? can Christians agree to disagree about the morality of same sex sexual activity? as well as, what is going on in the Church of England and why?
- On Good Friday a reflective Hour at the Cross service was held in Holy Trinity. Jesus resurrection was then celebrated on the Sunday.
- On Sunday 7th May, the churchwardens led a special Service in Celebration of King Charles' Coronation.
- On Sunday 14th May, cream teas were served in the afternoon in support of Christian Aid.
- On Saturday 3rd June, The Village Fete was held in the church building and the garden of Denford House. A lively time was had by all.
- On Sunday 4th June, the church family welcomed many villagers to join them for the annual church BBQ where the food was excellent as always.
- On the 2nd July the benefice church family welcomed Andy Stilwell (Assistant Curate) and his family with an afternoon tea in St James. He comes to serve in the benefice for three years as he prepares for incumbency.
- On 9th September, the church welcomed riders and striders who were taking part in the annual Historic Churches Ride and Stride, a sponsored event in aid of the Northamptonshire Historic Churches Trust.
- On Sunday 1st October, the Harvest Festival service was held in Holy Trinity along with musical pieces from the choir.
- On Monday 2nd October, the annual harvest supper and auction took place at the village hall. The food was excellent and the auction raised money for Water Aid.
- On Sunday 22nd October, a BCP Communion service was held at the request of the PCC. It was well attended and stirred up fond memories for some.
- On Sunday 12th November, the Curate led the village Remembrance Service starting at the war memorial and concluding in church. The choir also sang and the brass band played for the hymns.
- On 1st and 2nd December, Will Adams staged a version of A Christmas Carol in the church.

- On Sunday 17th December, the village carol service was held in Holy Trinity at which the choir sang.
- On 25th December, a Christmas Day Communion service was held in Holy Trinity with musical pieces performed by the choir.
- One wedding was conducted in HolyTrinity, Denford, during 2023.
- During 2023, two funerals were conducted in Holy Trinity. In addition to this, one funeral of a Denford resident was conducted at the crematorium. There was one body burial and two burials of cremated remains.
- There were no baptisms in Denford during the year.

Safeguarding Report

- Peterborough Diocese requires all PCC members to have an enhanced DBS check, which is renewed every 3 years. Unfortunately, the PCC has not been able to fully meet the requirement that all members have an in date DBS and training certificate by the end of 2023.
- A formal statement of adoption of the House of Bishops' Safeguarding Policy will be signed by Nolan Robson (Incumbent) & Sarah Pickles (Benefice Safeguarding Officer) on behalf of the PCC and will be displayed on Church Premises.
- Currently, all activities with children & young people take place at St James, Thrapston.
- The Parish adopts a safe recruitment policy which ensures that all those who volunteer with children & young people on behalf of the church are safely recruited. All readers and volunteers who work with children & young people have in date DBS certification.
- It has been encouraging to see that any safeguarding concerns have been raised in the correct way during 2023.
- It has been encouraging to witness how conscientiously volunteers engage with the needs of our young people and vulnerable adults, particularly as the number of children engaging with activities has grown so much over the past year.

Churchwarden's Fabric Report for 2023

The churchyard and church building exterior

- The grounds are being maintained by the mowing team.
- Ren with Chris and team have continued working on the trees near the river.
- The church path plans are still ongoing.
- The front notice board and the Church outside doors need revarnishing, we now have a quote, just waiting for better weather. Andy Pendred will let us know when this is to be completed.

- The outside gates will be power washed by Chris to be cleaned of the algae.
- All the priority 1 and 2 work that was resulting from the quinquennial report 2022 has been delayed due to the builder's ill health, we are now just waiting to hear when this can be completed by Simon Elbrow.
- The outer boundary churchyard walls have mortar missing and need repair.
- The Church clock in the Tower keeps losing time, we feel this needs to be discussed at the next PCC.
- The roof alarm has been maintained.
- We will be carrying out a check on the graves in the drier weather.

The church building interior

- The organ has been tuned.
- We now have a new cordless hoover, with thanks to Sheila Pendred.
- Thank you to the cleaners, flower arrangers, readers and refreshment team.
- Thank you to all the members of the PCC that help with the life and worship of Holy Trinity, Denford.

Sandra Smith and Dawn Moreton (Churchwardens)

Financial Report and End of Year Financial Statements, Year Ending 31st December 2023

The 2023 accounts are included below.

It appears that we have made a loss of about £4,000 this last year, a large part of which was the work on making the trees safe (£2,500). Fundraising was up by about £900 but donations were down by about £1.200, and grants were down by £440. Fees for weddings and funerals were up by £400. We gave away to charities £200 more than in 2022.

Clergy expenses were up by £440. Churchyard maintenance was up by £2,500 because of the tree work. We also spent money on sorting out the drains at the back of the church. Electricity costs in 2023 of about £1,000 should have been in the 2022 accounts but were not billed by Total GP until 2023 as they omitted to connect the Smart meter at their end (not very smart of them).

We also paid £828 to the diocese in respect of their share of the fees for weddings and funerals. Parish share was also paid in full.

I haven't yet done a budget, but we will not be faced with tree work again for some years and may even generate some income from the wood! Neither will we be faced with a large bill for electricity as Total GP now send us an account each month and I can keep a watch on it. We do take advantage of the Parish Buying Scheme for electricity which does give a collective very competitive rate. So had it not been for the tree work and the electricity charges we would have broken even and hopefully with no unforeseen expenditure we will equalise our income and expenditure this year.

Independent Examiner's Report to the Trustees of Holy Trinity Church, Denford

I report on the accounts of the church for the year ended 31/12/2023.

Respective responsibilities of trustees and examiner

The church's trustees are responsible for the preparation of the accounts. The church's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is needed.

It is my responsibility to:

• examine the accounts under section 145 of the 2011 Act);

• to follow the procedures laid down in the General Directions given by the

Charity Commission (under section 145(5)(b) of the 2011 Act); and

• to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1 which gives me reasonable cause to believe that in any material respect the requirements

• to keep accounting records in accordance with section 130 of the 2011 Act; and

to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or

2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
